Dear Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

Applicants draw the Examiner's attention to the fact that the US Patent 7,209,892 was granted with the incorrect Fig. 1. Attached is a copy of the correct Fig. 1, filed October 15, 2003 that should replace the Fig. 1 on record. The Figure 1 currently on record was submitted as an exhibit to Patentee's May 10, 2005 amendment and was not intended to replace the correct figure 1.

The error now sought to be corrected is an inadvertent typographical error the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such corrections. Patentee respectfully solicits the granting of the requested Certificate of Correction.
